

# CHAMPIONING FUTURE LEADERS

*through Cultivating  
Life Skills*

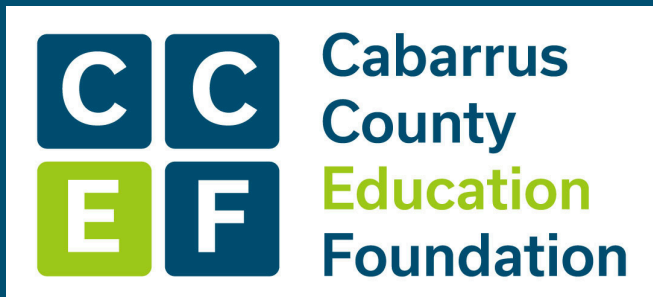

## PARTNERS in EDUCATION LUNCH

October 10, 2024

11:30am-1:00pm

Cabarrus Rooms @ Cabarrus Arena & Events Center

At CCEF, our mission involves preparing future leaders for roles that haven't even emerged yet. We achieve this by creating educational opportunities that allow students to put essential life skills into practice. Join us to network with like-minded community leaders and discover our dynamic developments.

## Advocating for your Future Workforce

Today's students are tomorrow's workforce. Strong business relationships are essential for student success as they open up a world of opportunities, support relevant and practical education, provide mentorship, and contribute to students' overall growth and development. These partnerships bridge the gap between academia and the real world, ensuring that students are well-prepared to succeed in their future careers.
